CATERING

Catering Packages & Pricing

Our catering is a mix of freshly made and sourced items from local businesses. We see this as a way of supporting and exposing the quality, hard-work and talent of what the area has to offer as far as good food goes. Keeping to the tradition of great, fresh ingredients, prepared simply to bring out the best of the product.

Please let us know ahead of time if your meeting delegates have any allergy or dietary requests so we are able to prepare accordingly. (The menu below is indicative of the offering and change depending on the season and ingredients available)
